SPORT

Our last trial was on Boxing Day. The previously mentioned posse of section setters included Bill and Nicki Wraight. Many thanks to all who made the effort to get their early and put on a event that was spot on for a Boxing day event.

Our next event is 08/01/06 and Trev Wells has volunteered to set out with the help of Mark Leaning. Apparently has been down and done a bit of churning up.

John Garrod had to make an apology. He forgot to send the info to T&mx. No worries John you just give the club the £10 entry fee for anything short of 60 !

Alan Hunt informed the meeting that Manton Quarry is double booked for our 19/02/06 Novice and O/40 trial. It was decided to transfer it to Ashby Ville.

SOCIAL

The Prize presentation is quickly approaching. Mark Garrod will contact the Burnams, get the prize and presentation winners from Jackie Bateman and sort out the awards.

A.O.B

The rule change effecting B class juniors came into force on 1st January. After months of informing effected riders of the rule change, we will implement the new rules. Kev Witting volunteered to supervise entrants at Ferriby and offer guidance regarding the rule change. He added that it was also a good opportunity to check licences and hand out applications forms as required.
